

# Bachelors of General Studies - Competency-Based

---

The Bachelor of General Studies- competency-based (GSCB) provides maximum flexibility for students who wish to create an individualized path to a bachelor's degree utilizing previous courses from diverse disciplines. Students must complete at least 24 semester hours of advanced coursework coupled with 12 semester hours in required Applied Major courses. Up to 85 semester hours (including WCEM and military credits can be accepted. The remaining coursework may e completed online in 7-week terms from the existing inventory of competency-based courses offered in the College of Innovation and Design).
