

Health B.A./B.S.-All-Level Teacher Certification EC-12

The purpose of the major in health all-level certification (33 semester hours) is to prepare teachers for early childhood through grade twelve in health. A graduate should possess the following competencies: (1) knowledge and skills that promote individual health and safety; (2) awareness of forces which support and inhibit a well environment; (3) knowledge and skills in program planning, teaching methods, and evaluation; (4) life-saving skills and accident prevention principles; and (5) knowledge of appropriate guidelines for food selection, intake, and utilization.

All-Level Teacher Certification in Health

Students **MUST** have and maintain a 2.5 overall GPA in order to take 300- and 400- level classes in the program.
